**CUSTOM CAKES & CUPCAKES**

Every cake we create is uniquely designed to meet the wishes of each client. Therefore, the price of every cake will be different and depends on the flavors chosen as well as how much time it will take to execute. We welcome photos, color swatches and samples of your inspiration, and of course prefer not to copy other artists' designs. Let your imagination run wild! We work with each of our clients to make their cake as personalized and special as possible.

Scheduling a tasting and consultation as far in advance as possible to ensure the date of your event is available is highly recommended.
